Re: Letter of Recommendation

Dear Mr. Schau:

D. Schau & Associates, Inc. performed LEED (Leadership in Energy and Environmental Design) indoor air quality testing at the City of University City City Hall building from October 2005 through August of 2006 for the purpose of obtaining our certification as administered by the United States Green Building Council (USGBC). Thanks to your work the city was successful in obtaining this certification.

Sincerely,

Julie Feier
City Manager
